**NOTICE OF FUNDS AVAILABILITY
AND
RELEASE OF REQUEST FOR PROPOSALS**

TO: All Local Units of Government Representing California Adult Detention Facilities

FROM: Scott B. Frizzie, Executive Director (A)
Board of State and Community Corrections

**SUBJECT: AVAILABILITY OF FUNDING FOR RESIDENTIAL SUBSTANCE ABUSE
TREATMENT (RSAT) FOR STATE PRISONERS PROGRAM**

The Board of State and Community Corrections (BSCC) is pleased to announce the availability of approximately \$741,710 in federal RSAT funds to support California's efforts in providing resources to local adult detention facilities for in-custody treatment services that includes a follow-up aftercare component. The RSAT Program is made available by the Bureau of Justice Assistance.

The funding for this project will enhance the capability of units of local government to provide substance abuse treatment for incarcerated inmates; prepare offenders for their reintegration into the communities from which they came by incorporating reentry planning activities into treatment programs; and assist offenders and their communities through the reentry process by delivering community-based treatment and other broad-based aftercare services.

Eligible adult detention facilities will be allowed to request up to a maximum of \$185,427 for the period of July 15, 2013 through June 30, 2014 with the possibility of an additional year of funding to qualified applicants.

The due date for eligible proposals is 5:00 p.m., May 9, 2013. A copy of the Request for Proposals (RFP) is available on the BSCC website at <http://www.bscc.ca.gov/>

For additional information regarding the RFP, contact Colleen Stoner, Field Representative by email at Colleen.Stoner@BSCC.ca.gov or by telephone at (916) 324-9385.
